## BANKNOTE AND COIN COUNTER

### DESIGN ♦ PERFORMANCE ♦ USER EXPERIENCE

Counting cash has never been easier or more reliable than with Note&coin banknote and coin counter

- Count loose and bundled banknotes
- Count loose, bagged and rolled coins
- Count the entire till in under a minute
- View and print detailed count results

and, with its exclusive features, Note&coin remains the obvious choice for retail, banks and government organisations:

- Automatic coin denomination recognition
- Handles 6 different currencies simultaneously
- High resolution & contrast, colour LCD display
- Charges from any standard 5V-USB source
- Foldable platform for a truly portable operation
- "5 Second" firmware update (see reverse side)
